FedEx Shipping Program Enrollment

A contract between FedEx and the UC Davis Veterinary Dermatopathology Consulting Service (UCDermvets) allows our clients to receive university discounted rates on FedEx shipping.

The program is free to join and shipments are easy to create through FedEx.com. You will pay nothing up front. Instead, we will bill you when we receive your package and bill for UCDermvets services. You will not only be able to create shipments, but also print shipping labels, schedule tracking notifications, schedule pickups, and view shipment summaries at FedEx.com

Instructions

- (1) Fill out information below. All sections are required.
- (2) Sign the signature line.
- (3) Fax this form to UCDermvets at 530-752-7242
- (4) You will be given a User ID, password and instructions for creating online shipments.
